

# Help! Please present at Roundtable

Each leader at roundtable should try to present a 5-15 minute topic at one of our monthly meetings. If you have something you are interested in, do well at, or just know someone else who can talk, please volunteer. It doesn't have to be a big, important topic - it can be anything related to Scouting that you want to share.

Some ideas:

- How your troop holds unit elections
- How your troop organizes fund-raising
- Ideas for recruiting new leaders
- Good camping gear for troops
- How your troop website is set up and if it is working for you
- Games your Scouts play at meetings and outings
- Places your Troop has been recently that you liked
